

COLLEGE PARK QUARTERLY MEETING

Winter Gathering

First Month 17, 2015, in Santa Rosa

Family Bible Church 697 Benicia Dr. Santa Rosa, CA 95409
(across the street from Friends House)

The theme for our day is "Peacemaking, an Inside and Outside Job."

Let there be peace on earth and let it begin with me. We have sung this many times and yet still need to remember that peace begins on the inside. We continually strive to be peaceful people, not just at peace marches. If our actions flow from our inner peace, we find the courage and energy to engage in outer peacemaking. Many of us are committed to peace making projects of all kinds. Quarterly Meeting helps us to deepen our inner peace and to learn of our many and varied peace making projects. This will be a day to reflect on where our leadings come from and to where they lead us.
-Mary Miche, Clerk
