

Children & Teen Program Spaces – PYM2013 at Mt. Madonna Center

REVISION 3 (07/25/2013 15:43 jima)

Infants, Pre-K, and K:

Location: Lakeview building, and adjacent play structure and sandbox.

The room will be bare when we arrive except for rugs on the floor and 3 adult-size folding chairs. The teacher asked us to stay out of the back room where her stuff is stored. Leaders may wish to bring a step-stool for small people to use in the bathroom.

PYM must bring toys and everything else needed in this room.

Lower Elementary:

Location (changed): Farm House Annex (the building left of Farm House)

(Recent change: No equipment or supplies will be provided by Mt. Madonna.)

No food allowed in the building. Snacks should be served outdoors.

A single shared bathroom will also be used by non-PYM people living in the building.

Upper Elementary & Middle:

Location (changed): Farm House Classroom (in same building as Farm House office).

We can use the nearby outdoor play structure.

The room contains kid-sized furniture, but no toys or other equipment we can use.

Teen (JYM) program:

Location: High school Assembly Room (up the hill). It's a nice, big room, about 40x40' Carpet will cover the middle 2/3 of the room, with a "stripe" of wood floor exposed on either side.

Keep food & drinks (other than plain water) away from the carpet.

We will be charged for any new stains or damage. **Clerks:** Please take photos before your program starts of existing stains in the carpet (we noticed several during our visit) or anything else which isn't in good condition to avoid incorrect charges.

A **ping-pong table** will be available in room C-16; bring paddles etc. This room will also be used for worship-sharing, but the pp-table needs to be folded up to make room for 12 chairs for worship-sharing. *Arrangements requests that JYM fold up the pp-table and set up the chairs in a circle each day before the worship-sharing time.*

Teen (JYM) supervised girls' & boys' dorms:

These will be in separate classrooms in the high school. The rooms are about 20x25', so it will be crowded. Bare, uncovered foam pads (about 3x7' and 4" thick) will be provided on the floor. *Please bring sheets to cover the foam pads in addition to sleeping bags, etc.*
