Re: Unable to file 990-N(e-Postcard)

Dear Sir or Madam:

I represent Alaternatives to Violence Project - North Bay Council, a 501(c)(3) entity, **EIN 83-2766713**. We are a subordinate group of the national organization (which has EIN 52-1838328).

The IRS website refused to let us file our 990-N (e-Postcard) for Tax Year 2021.

The website says *"you have already filed...for this year"*, but that is not the case, and that same website lists our TY 2020 filing as the only filing ever made. Therefore it appears the website thinks we are trying to re-file for 2020, not for 2021. There is no place on the website to specify the tax year!

Please look at the attached screen captures. These were from an attempt made today, March 1, 2022.

I also noticed that the name shown in the drop-down selector was "ALTERNATIVES TO VIOLENCE PROJECT USA INC." *with our EIN 83-2766713*, that is, the EIN for our subordinate group which is called "AVP-NORTH BAY COUNCIL". Does this indicate corrupted data in IRS's records?

I tried IRS telephone support but the recording said there was too much traffic and they could not answer any more calls.

Please help.

Yours Truly,

James Avera
