

MADRONE CAMPGROUND

Welcome to the Campground!

Campsites are assigned. If any change is required, please come to the Programs Office in the Community Building to make arrangements.

If using a MM Center tent, we ask that you zip closed the windows and door when you leave to avoid insect infiltration and possible wetness from rain.

After unloading your camping gear, kindly move your vehicle to one of the parking lots near the main center buildings so that others may use the space to unload and we can keep the road clear.

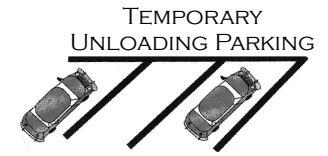

We trust that you will enjoy this special part of the land. *Namaste.*

Showers are located on the back deck, near the hot tub.
