Welcome to the Campgrounds!
 Campsites are assigned. If any change is required, please come to the Programs Office in the Community Building to make arrangements.

After unloading your camping gear, kindly move your vehicle to one of the parking lots near the main Center buildings so that others may use the space to unload their gear.

If using a MM Center tent, we ask that you zip closed the windows and door when you leave to avoid insect infiltration and possible wetness from rain.

We trust that you will enjoy this very special part of the land. *Namaste.*
